

HOW WOULD YOU FEEL IF YOUR EVIL, UNDER THE THUMB  
ALIEN FATHER SHOVED YOU OFF THE END OF HIS  
SPACESHIP IN A HANDCART?

Follow Panda, the toasted rice pudding sandwich loving alien and friends  
in their bizarre, funny and unique journey  
across the Universe, as they fend off  
forces of evil, clones, aliens and overly  
large cannibals in way too small silver  
bikinis!

Will Alice, the fluffy headed, mutating  
transgendered, invisible rabbit adoring,  
potential love interest to Panda get her  
man?

Can Bambii, whose limited vocabulary,  
ever convey her true feelings to Blin-  
knott, Panda's best friend?

See the rather large chested  
Misty harangue Dang  
the ex-Ohm Monk who  
so desperately needs a  
wash and more socks.  
See them and others  
fight against the forces  
of evil...

Genevieve and Lord Overworn.

Can an Interstellar Warship really be powered by a  
record player?

How good can a torturer with a stammer be? Just how does a Tiger disguise itself  
in a bakers?
